## STANLY.

ALBEMARLE, Nov. 6.—Vote very light in this county except this box, where Alexander has 180 majority and the others about the same.

## CAMDEN.

CAMDEN C. H., Nov. 6.—This county elects W. P. Walston (Democrat) to the House by a majority of two. He is an Alliance man and a pronounced Vance man.

## ALLEGHANY.

SPARTA, N. C., November 6th.—The official vote gives the State ticket 355 and Cowles and Barber about the same. R. A. Doughton, Esq., is re-elected to the House by an unprecedented majority. The people of this section are earnest and enthusiastic in his support for the Speakership of the House. This is his third term and he has been a leader in the House.

## FRANKLIN.

The Official Majority is Over 700. LOUISBURG, N. C., Nov. 6.—Franklin's official majority: Bunn, 759; legislative candidates, 812; judicial, 734.

## J. A. THOMAS.

## WARREN.

WARRENTON, Nov. 6.—Warren's official vote gives Cheatham 762 majority. For the Assembly, Long's majority is 339.

## JOHN W. JENKINS.

## DAVIE.

MOCKSVILLE, Nov. 6.—This county goes Republican by majorities from 35 to 125. Hendricks (Rep.) elected to the House by 35 majority. Two years ago he had 225 majority. The Democrats made great gains.

## IREDELL.

STATESVILLE, Nov. 6.—The official returns give Merrimon 2,355; Price, 969; Henderson, 2,250; Thomas, 1,039.

## T. A. WATTS.

## SAMPSON.

(Clinton Caucasian.) There being no opposition to the Democratic nominees for the House and for the various county officers, they were all elected by a tremendous vote, probably the largest ever polled in the county. The contest was over the Senate. John A. Beaman, a Democrat, was a candidate against Marion Butler, the Democratic nominee. Beaman got a great many Democratic votes and the colored vote almost solid, but the principles on which Mr. Butler was nominated triumphed by 431 majority over the combined forces of the opposition.

## JONES.

It is Redeemed.—The Democrats Make a Clean Sweep.

## (Special Cor. of STATE CHRONICLE.)

TRENTON, N. C., Nov. 5.—Jones county is redeemed at last. We have made a clean sweep, all of our candidates being elected. Hudson, Dem., elected to the legislature by 40 majority. Gilman's majority in this county about the same. Our county officers all elected by from 150 to 500 majority, and the judicial ticket and Allen for solicitor carry the county by about 700 majority. The Republicans did not vote for their State ticket scarcely any at all. The news from Onslow, so far as heard from is all right. Hope you have done as well in Wake, as I have taken considerable interest in your fight there to rout the Rads.

## T. C. WHITAKER.

## MCDOWELL.

MARION, N. C., Nov. 5th.—McDowell elects Democratic nominee, Bidlix, for the House. Gives the Senate about the usual majority.

## ROBESON.

LUMBERTON, N. C., Nov. 5.—The following are the official majorities: Merrimon, 604; Alexander, 460; Senate, McLean, 675; Culbreth, 670; House, Watson, 688; Oliver, 690; C. S. C. Townsend, 1,065; Sheriff, Pittman, 553; Register of Deeds, Morrison, 762; Treasurer, McDiarmid, 727; Coroner, Dr. Davis, 755.

## CLEVELAND.

Heavy Majority for the Judicial Ticket.

## SHELBY, N. C., Nov. 5.—The official

vote of Cleveland: Merrimon, 1,875; Price, 384; Cowles for Congress, 1,386; Faucett, 1,090; L. J. Hoyle, 1, Durham, for the Senate, 1,895; Dickson, for the House, 2,100. County officers average 2,100. No opposition to legislative and county ticket.

## CUMBERLAND.

Sutton Leads the Ticket.

FAYETTEVILLE, N. C., Nov. 6.—Official count of Cumberland gives Merrimon 1,247 majority. Grady for Congress, 1,150 majority. No majorities less than 1,000. That of Sutton, for the House, is 1,855. Cumberland Democrats expect Mr. Sutton to be speaker of the House.

## BERTIE.

WINDSOR, Nov. 5.—It looks like Geo. Bishop, Democrat, is elected to the State Senate, from Northampton and Bertie.

## DURHAM.

DURHAM, N. C., Nov. 5.—Entire Democratic ticket elected. Caleb Green elected Clerk by over 100. It was hard work, but a great victory.

## BRUNSWICK.

SOUTH POIT, N. C., Nov. 5.—The entire Democratic ticket elected by from 13 to 242.

## EDGEcombe.

TARBORO, N. C., Nov. 5.—Edgecombe, official, Cheatham 723 majority. Democrats elect Senator and both Representatives. First time since 1868 that a Democrat has been elected.

## MACON.

FRANKLIN, N. C., Nov. 4, 11 o'clock, p. m.—Crawford has carried the county by 269 majority, with two small Republican precincts to hear from. The entire Democratic ticket is elected by an increased majority, with the exception of sheriff, which the Republicans have carried probably by 20 to 40 majority. Ray is elected by 100 to 150. Smathers, Republican candidate for Solicitor, telegraphs Jones to-night that Jones is elected. It is thought to-night that Crawford is elected to Congress beyond doubt.

## INDIANA.

Democratic Gains—Eleven Out of Thirteen Congressmen Elected.

## (By United Press.)

Indianapolis, Ind., Nov. 6.—Half the townships in the State in their returns show an average Democratic gain of 20 to the township. This will make the State Democratic by about 20,000. The Democrats elect 11 out of 13 Congressmen. The legislature will be Democratic on joint ballot by 68.

## BLEEDING KANSAS.

THE ALLIANCE AND DEMOCRACY DRAW BLOOD.

The Alliance Candidate For Governor Elected—The Republican Majority of 82,000 Overcome—The Re-election of Ingalls a Matter of Doubt.

(By United Press.)

KANSAS CITY, Mo., Nov. 6.—The Republican candidate for Governor is beaten; six out of seven Republican Congressional candidates defeated; Senator Ingalls re-election a subject of grave doubt. That is the situation in Kansas. The eighty-two thousand Republican majority has been overcome. The Farmers' Alliance did it, and it was a genuine surprise. The chances for the Democrats gaining in some districts was bright, but no such overturning of the Republican majorities was expected. For the first time in many years the Republican delegation is broken.

The Farmers' Alliance and the Democrats waged a bitter campaign against Senator Ingalls, whose term expires in 1891, and in a majority of the districts sustained one of their candidates against the Repub. candidate. The result is the certain election of 95 Farmers' Alliance and Democratic legislators against 30 Republicans. Some of the latter may vote for Ingalls, but his opponents claim that there will be a majority of six against him.

TOPEKA, Kan., Nov. 6.—At an early hour this morning the Republican Central Committee conceded that the opposition to Ingalls will have a majority in the legislature. They also concede the election of the entire Farmers' Alliance State ticket, with the possible exception of Governor and six opposition Congressmen.

## Later and Better.

KANSAS CITY, Nov. 6.—There is now but little doubt that the next Kansas legislature in joint ballot will be under the control of Farmers' Alliance and Democrats combined, and possibly the Alliance alone will have a working majority. This means sure defeat for Senator Ingalls.

Returns from the country districts are coming in slowly and both the Republicans and the Alliance are claiming a victory in the gubernatorial contest, but so far Willets' (Alliance) is in the lead. In the first district, the official count will be necessary to determine whether Moonlight, Democrat, or Broderick, Republican, is elected. The remaining six Congressmen were elected by the Alliance party.

## FIFTY SECOND CONGRESS.

A Democratic Majority of Over One Hundred in the House.

Below will be found a table showing the political complexion of the Fifty-second Congress, compiled from returns up to the latest hour, subject, of course, to possible changes in a few districts. According to this estimate the new House will be composed of 219 Democrats, 107 Republicans and 5 Farmer's Alliance men.

The present House, at the adjournment of the first session, was composed of 175 Republicans, 151 Democrats and 1 Independent, there being several vacancies caused by death. Of the members gained by the Democrats 30 are from States north of Mason and Dixon's line.

## COL. CLARKSON'S DISGUST.

He Came to a Bad Place for Consolation.

NEW YORK, Nov. 6.—Colonel Clarkson, Ex-Postmaster General, left here on a late train to-night for Asheville, N. C. He was in anything but an amiable frame of mind, and just as he was taking the train, a sympathetic friend imparted the news of the Massachusetts landslide to him. The colonel indulged in some bitter comments on the administration, and then took refuge in his car.

We know that it often a difficult matter to fit Children in Wraps. Our stock of Children's Wraps is so great, that it is comparatively an easy matter for us to fit the most unusual figure.

Hardly an express arrives, that does not bring us something in Children's Wraps.

## VANCE RECEIVES A MAJORITY OF OVER 1500 IN WAYNE.

(Special Cor. STATE CHRONICLE.)

GOLDSBORO, N. C., Nov. 5.—Wayne yesterday covered herself with glory. We gave to the entire Democratic ticket judiciary, legislative and county, majorities ranging from 1,100 to 1,400. We contest the palm with Duplin and Sampson in this Congressional district. We have never before given a majority of more than three hundred, and we have always had to fight for all we were worth to do that, and in off years it was frequently impossible to carry it at all.

Our people have risen to protest against offensive Republican legislation and to put down once for all the Radical crew in our midst who have stood by and aided and assisted our oppressors.

We send up to the General Assembly a fine trio in Aycock, Bryan and Ham and insure to Senator Vance three stalwart votes for his return to the Senate.

Our convention, by a small majority, instructed our senator and members to vote for Vance, but the instruction caused some dissatisfaction and our executive committee, to remove all cause for complaint, submitted the question of instruction to the Democratic voters of the county. It has always been said that Vance had nothing to fear from the people and the result of the vote yesterday fully justifies the saying, for Vance received a majority of over 1500, in spite of the fact that in some precincts life long Republicans voted the Democratic ticket in order to get a chance to vote against him, so eager are they for his defeat.

We are especially proud of the fact that in Goldsboro, city and township, containing many farmers and staunch Alliance men, he received 574 votes, and not a single vote was cast against him. We have submitted Vance to the popular vote and, as has always been the case, the vast majority of the Democratic voters are for him against the field. The county outside of Goldsboro, gives Vance a majority of about 1000, thus establishing the fact that most of the Democratic farmers of this county are Vance men.

Goldsboro is full of rejoicing Democrats this morning and mutual congratulations are the order of the day. There is no crowing over the defeated Republicans. We have beaten them so badly that we can afford to be magnanimous, and we are extending them an invitation to join us in future elections and aid us in making the thing unanimous in the next election.

(By United Press.)

DENVER, Col., Nov. 6.—The official returns will be required to determine the result of the election in this State. The Democrats claim they have elected the State Treasurer, Attorney General and Superintendent of Public Instruction. The Republicans concede the Treasurer and a large Democratic gain in the Assembly, but not sufficient to give the Democrats a majority.

MECKLENBURG.

CHARLOTTE, Nov. 6th.—Mecklenburg county, Senator Vance's home, is the banner Democratic county in North Carolina, having a majority this election of 2,380. Catawba county has held the banner till this election.

## THE SPEAKERSHIP.

WHO WILL RECEIVE THE GREAT HONOR?

That is the All-Absorbing Question Among Democrats.—The Democratic Majority.

(By United Press.)

WASHINGTON, D. C., Nov. 6.—Now that it is beyond question that the Democrats will have control of the next House of Representatives, speculation is being indulged in with regard to the Speakership. Mr. Springer of Illinois, and Mr. Crisp of Georgia, are among the most prominent of those whose names are mentioned for the honor. Mr. Mills of Texas, is credited with no ambition for the office, and has frequently stated he would prefer to be known merely as the leader of the House and chairman of the committee on ways and means. Mr. Bynum of Indiana, Mr. McMillan of Tennessee, and Mr. Outwaite of Ohio, have also been named for the office. Mr. Wilson of West Virginia, regarded on all sides as one of the brainiest men in the House, would undoubtedly make an admirable speaker.

## MICHIGAN O. K.

The Democrats and Farmers Control the Legislature.

(By United Press.)

DETROIT, Mich., Nov. 6.—It is safe to predict from late returns that the State is Democratic by 10,000 majority and that the legislature will be Democratic on fusion vote with Patrons of Industry. The Democrats elect congressmen in the 1st, 2nd, 5th, 6th, 7th and 10th districts; the Republicans in the 3rd, 4th and 8th. The Republicans claim the 11th district and that the 9th is going in their favor, but the Democrats claim both districts as doubtful.

The News Getting Better and Better.

DETROIT, Mich., Nov. 6.—The whole Democratic State ticket is believed to be elected by from 6,000 to 15,000 plurality. The Democrats have also a majority in the Legislature by about 3 majority in the Senate, and by some 15 in the House on fusion with the Patrons of Husbandry, who hold the balance of power. The first, second, fifth, sixth, seventh, eighth and tenth Congressional districts have gone Democratic, and the third, fourth, ninth and eleventh, Republican. The vote in the eighth is very close, and may require the official count, but present returns give it to the Democrats by about 80 votes.

## A DEMOCRATIC CYCLONE IN OHIO.

Mr. Brice Says Fourteen Democratic Congressmen are Elected—McKinley and Foster Both Defeated.

(By United Press.)

ALBANY, N. Y., Nov. 6.—Gov. Hill has received a large number of telegrams from Democratic leaders all over the country announcing Democratic victories. The Democratic leaders in three States in which the Governor made campaign speeches kept him well informed as to the results of the election. Among the telegrams of general interest which he received from those States and which gave him special satisfaction were the following: Calvin S. Brice telegraphed from Lima, Ohio, "Congratulations: Ohio elects 14 Democratic Congressmen, a gain of 9. McKinley and Foster both defeated."

## MINNESOTA.

Three Democratic Congressmen Elected so Far.

MINNEAPOLIS, Minn., Nov. 6.—Sixty-six counties, according to the returns, give Merriam, Republican, for Governor, 74,969 votes, Wilson, Democrat 70,243, and Owen, Alliance, 48,244. Merriam's plurality, 3,826. Fifteen counties are yet to be heard from.

Castle, Dem., is elected in the 4th Congressional district by 3,248 plurality, over Snyder, Republican. Lind, Republican, is elected over Baker, Democrat, in the second, by 1,000 plurality. Harris, Democrat, has 1,757 plurality over Dunnell, Republican, in the first district. In the third district, O. M. Hall, Democrat, has a small majority over D. S. Hall, Republican. The Fifth district is in doubt. The balance of power in the legislature will probably be held by the Alliance.

## CRAWFORD'S BIG RUN.

He Will Have a Majority of 1,250—Buncombe County Elects a Full Democratic Ticket.

(By United Press.)

ASHEVILLE, N. C., Nov. 6.—Buncombe county gives Crawford 604 majority against 109 for Johnston two years ago. Haywood county gives Crawford 710 majority. All returns so far put Crawford's majority at 1250. The entire Democratic county ticket is elected with a majority from 400 to 800. J. M. Campbell, Democratic candidate to the Senate from the 42nd district is defeated by 85 votes. Cherokee gives Crawford 63 majority against Ewart 177 majority two years ago.
